

Pace Setters Club Practical Discipline Policy

Theme: *“Discipline is discipleship in motion — done with grace, guided by love, grounded in truth.”*

Core Verse: *“Do everything in love.” – 1 Corinthians 16:14*

1. Rationale: Discipline Rooted in Grace and Love

In the Pace Setters Club, discipline is not punishment — it is **discipleship**.

We believe every child is a learner growing under grace. Therefore, our approach focuses on:

- **Restoration, not rejection**
- **Teaching, not terror**
- **Relationships, not rules alone**
- **Redemption, not revenge**

We train Pathfinders to become **responsible, respectful, and resilient** young leaders through grace-centered correction. Teachers are a model of the same.

2. Philosophy of Growth and Security

A disciplined mind grows in security, order, and purpose. Children feel most safe when:

- Expectations are clear.
- Routines are consistent.
- Correction is loving and predictable.
- Adults are calm, fair, and firm.

3. Practical Pathways for staff to Grow Discipline in Pathfinders

Strategy	Practical Actions	Goal
Training Routines	- Begin and end every activity with prayer. - Use repeated, clear routines for drill, assembly, and clean-up.	Builds order, self-management, and respect for structure.

Strategy	Practical Actions	Goal
	- Assign rotating responsibilities (flag, prayer, attendance, song leading).	
Sharing Expectations	- At the start of each month, review club values and behavior norms. - Post “PACESETTERS Promise Board.” - Use role-play to model right conduct.	Helps youth know what is expected before correction.
Explaining the Value of a Disciplined Mind	- Discuss Bible heroes (Daniel, Joseph, Jesus) and their discipline. - Link discipline to goals: better focus, leadership, respect, success.	Promotes internal motivation, not fear.
Recognition and Reward	- Monthly “GraceLink Growth” comments - Display photos of well-behaved Pathfinders on a “Wall of Grace.”	Reinforces good conduct positively.
Reminders	- Gentle verbal reminders tied to PACESETTERS values (e.g., “Remember, we are Exemplary in what we do”). - Use non-verbal signals (a hand gesture, known rhythmic claps) for attention.	Corrects early, calmly, and kindly.
Reflection and Mentorship	- After minor mistakes, ask: “What happened?” “What can you do differently?” - Use short journals or 1-on-1 reflection talks with spiritual mentors.	Builds self-awareness and accountability.
Reward and Encouragement	- Link rewards to effort and consistency, not just performance. - Use public praise and leadership privileges.	Motivates through love, not fear.
Positive Relationships	- Leaders must know each Pathfinder’s name, background, and strengths. - Practice “3-to-1” encouragement rule: 3 positives for every correction. - Hold team-building games and trust activities.	Ensures correction feels safe, not personal.

4. Progressive Grace-Based Discipline Steps

Level	Description	Example Behaviors	Grace-Focused Response
1. Gentle Reminder (Prayerful Awareness)	Early, calm correction.	Talking out of turn, inattention.	Quiet verbal reminder linked to value: “Let’s show respect — R in PACESETTERS.”
2. Reflection Moment (Authentic Growth)	Opportunity for self-correction.	Repeated lateness, distraction.	Short talk, prayer, reflection sheet (“How can I improve?”).
3. Redirection (Teamwork & Service)	Channel energy into something positive.	Disrespect, minor argument.	Restorative task, e.g., help set up chairs, clean up, or pray for group unity.
4. Accountability (Exemplary Responsibility)	Involves parent and mentor.	Dishonesty, defiance, neglect.	Parent contact, apology letter, restorative service, goal-setting with counselor.
5. Temporary Withdrawal (Respectful Reflection)	Cooling-off period for growth.	Continued misconduct.	Meeting with Chaplain, parent, and Pathfinder before return. Journal reflection required.
6. Serious Consequence (Stewardship and Restoration)	When counseling fails or harm occurs.	Violence, theft, bullying, gross disrespect.	Suspension or removal from club after fair hearing. Restoration counseling offered with church and family support.

5. Consequences for Gross Misdemeanors (When Counseling Fails)

Category	Examples	Corrective Steps
Disrespect to Leaders or Peers	Shouting, name-calling, refusal to follow instruction.	Counseling, apology, parental meeting, restorative duty (e.g., serving others humbly).

Category	Examples	Corrective Steps
Dishonesty/Theft	Taking items, lying to cover up actions.	Confession encouraged, restitution made, counseling with Chaplain, trust restoration plan.
Bullying/Physical Harm	Fighting, intimidation, verbal abuse.	Immediate withdrawal from activity, counseling for both parties, service restitution, probation or suspension.
Repeated Defiance	Ignoring correction or showing no remorse.	Written reflection, parent meeting, probation with behavior plan. If unrepentant → suspension or termination.

Exclusion for a defined period (1-2 weeks) is a last resort — used only after prayer, counseling, and family involvement have failed.

Restoration to fellowship remains open upon demonstrated repentance.

6. Practical Leader's Discipline Routine (The 5 R's)

1. **Remain Calm** – Never discipline in anger.
2. **Reflect** – Ask: What is God teaching this child through this?
3. **Remind** – Restate club value violated (link to PACESETTERS).
4. **Redirect** – Offer a constructive action or reflection.
5. **Restore** – End with prayer, reassurance, and affirmation.

7. Parent and Club Partnership

Parents are not spectators — they are partners in grace.

Leaders will:

- Inform parents early (after Level 2 incidents).
- Share progress and positive behaviors regularly.
- Invite parents for reflection or prayer circles when challenges persist.

8. Recognition and Reward System

Weekly: Shoutouts during assembly (“Grace Champion,” “Prayer Warrior”).

Monthly: Certificates of Excellence, badges, or service awards.

Termly: “Pacesetter of the Quarter” for modeling the values consistently.

Rewards emphasize **growth, humility, and service**, not competition.

9. Final Declaration

“We correct because we care.

We discipline because we love.

We restore because Christ first restored us.”
